

CHILDREN'S PARTIES · WAGGA WAGGA

Let's party!

Fifteen creative party activities for children, hosted in our studio. Painting, clay, jewellery, scrapbooking and plenty of glitter.

Pick a party

Every party is a guided creative activity in our Wagga Wagga studio, with all materials supplied and something handmade to take home. Choose an activity from the list, and we'll set the studio up for your group.

Jewellery Box & Bling Party	3	Glow Magic Lanterns	5
Sunflower Studio Party	3	Enchanted Fairy Gardens	6
Clay, Charms & Tiny Things	3	Tiny Treasure Chests	6
Friendship Bracelet Era	4	Bead it! Wear it!	6
Under the Sea Adventure	4	Dream Catcher Dreaming	7
Sticker Explosion Scrapbooking	4	Pottery Paint Party	7
Kawaii Charms & Cream Glue Decorating	5	Beach Glow Lightboxes	7
Paws & Paint Party	5		

01 Jewellery Box & Bling Party

A super cute party activity where children decorate a jewellery box, then make a bracelet or small piece of jewellery to pop inside. It's colourful, sparkly and perfect for kids who love pretty little things.

02 Sunflower Studio Party

Inspired by Van Gogh's famous sunflowers, children create their own bright mixed media sunflower artwork. This activity combines painting, collage and bold colour for a cheerful masterpiece.

03 Clay, Charms & Tiny Things

Children use polymer clay to create mini sculptures, charms, beads or jewellery pieces. This is a hands-on party option that works beautifully for animals, food, flowers, rainbows or tiny characters.

04 Friendship Bracelet Era

A fun friendship-bracelet style party inspired by colour, lyrics, charms and all things sparkle. Children make their own bracelets, necklaces or bag tags to wear, swap or take home.

05 Under the Sea Adventure

Children dive into an ocean-themed art activity filled with fish, coral, mermaids, turtles, shells and sea creatures. This can be created as a painting, collage or 3D underwater scene.

06 Sticker Explosion Scrapbooking

Children create their own scrapbook page, mini journal or memory board using stickers, washi tape, patterned paper and embellishments. A great option for kids who love decorating, journalling and collecting cute things.

07 Kawaii Charms & Cream Glue Decorating

A sweet and colourful decorating party using cream glue, charms, cabochons and cute kawaii pieces. Children decorate a frame, box or accessory to create a fun, textured artwork to take home.

08 Paws & Paint Party

A colourful, feel-good painting party where children create their own bright and playful pet portrait. Perfect for animal lovers, this activity can be adapted for cats, dogs, rabbits, horses or imaginary pets.

09 Glow Magic Lanterns

Children create their own magical lantern using polymer clay, decorative details and creative embellishments. This is a gorgeous take-home activity with a whimsical feel, perfect for fairy, garden, woodland or night-sky themes.

10 Enchanted Fairy Gardens

A dreamy party activity where children build their own miniature fairy garden using tiny decorations, natural textures, colour and sparkle. Each child creates a magical little world to take home.

11 Tiny Treasure Chests

Children decorate their own treasure box using paint, gems, stickers, glitter, ribbons and other fun materials. A lovely keepsake activity, perfect for storing special notes, jewellery, shells or tiny treasures.

12 Bead it! Wear it!

A bright and busy jewellery-making party where children create bracelets, necklaces, bag tags or keyrings using colourful beads and charms. This is a great option for kids who love making things they can wear or gift.

13 Dream Catcher Dreaming

Children design and decorate their own dream catcher using ribbons, wool, beads, feathers and colour. A beautiful, calming party activity with a lovely finished piece for their bedroom wall.

14 Pottery Paint Party

A relaxed and creative pottery-painting party where children decorate their own ceramic piece with patterns, colours and personal details. Each child takes home a unique handmade keepsake.

15 Beach Glow Lightboxes

Children create a beach-inspired artwork inside a lightbox-style frame, using paint, colour and coastal details. Think waves, sunsets, shells, sea creatures and summer holiday vibes.
